The rules of the “Micro Trade” contest

GrandCapital Ltd., 2020

## **1. General Terms and Conditions**

- 1.1. Grand Capital Ltd. is the sole organizer of the contest.
- 1.2. Everyone who wishes and complies with the contest requirements can take part in the contest.
- 1.3. Employees of Grand Capital, Ltd. and their relatives cannot participate in the contest.
- 1.4. Contestants must register for each round separately.
- 1.5. Contest registration ends one hour before the contest starts. All requests received after that time will be automatically transferred to the next round.
- 1.6. It is prohibited to register multiple accounts, as well as trading with different accounts from same IP address.
- 1.7. It is prohibited to trade using an anonymous proxy server. At the detection of more than three connections to the account from different IP addresses belonging to different regions, the account will be disqualified.
- 1.8 Prize funds are granted to the current Micro account.
- 1.9. Contestants must be guided by these rules, which they must read attentively and accept. Ignorance of the contest rules can't serve as an argument when submitting a claim.
- 1.10. In order to be eligible to participate in the contest, the Real Micro account balance must be \$50 to \$200.

## **2. Contest schedule**

- 2.1. Contest schedule is displayed on the Company's website.
- 2.2. One hour prior to the beginning of the contest, all registered accounts are reviewed to determine if the amount of funds on the registered account is sufficient. If the account balance is found sufficient, such account is automatically transferred from the "List of contest participants" section to the "Rating" section and can take part in the contest. If the account balance is found insufficient, such account shall be automatically disqualified from this round.
- 2.3. It is prohibited to deposit and/or withdraw funds to/from the contest account during the contest.

## **3. Trading conditions**

- 3.1. The contest is held on live Real Micro accounts.
- 3.2. The volume of the positions that can be opened during the contest is limited by the free margin available on the Real Micro trading account and other restrictions valid for this account type.
- 3.3. More Real Micro account trading conditions are available on the website page dedicated to Real Micro account.

## **4. Contest results**

- 4.1. The final result of the contest is determined based on the account equity at the contest beginning and the contest end. The contest winners are the 10 contestants with the greatest difference in the account equity at the end of the contest. The main prize winner cannot take the same place in any of the consequent tours of the contest. The company has the right to disqualify the participant and withdraw the bonus if he took the first place more than once.
- 4.2. In order to receive the prize, all winners must leave a contest review or give a short interview (if an email with the interview questions is received). Contest review must be attached to the application sent to claim the prize. If you've already replied to the email with the interview questions, please mention it in your application. The winners receive the prize funds to the Real Micro account that participated in the contest. In order to claim the prize a winner should send a request to the Financial Department using "**Create a ticket**" form in the Support section located in the Private office.
